On the seafront in Empuriabrava are the apartments in the 'Estrella de Mar' complex. The apartments of different sizes, each with its own terrace, are situated in a large Mediterranean garden, where hammock chairs invite you to have a siesta. The indoor swimming pool, barbecue and the table tennis are our guest's favourite meeting places. Young families with children as well as older guests feel comfortable here, because our aim is to create an ambiance of respectful harmony. Within the complex there is an opportunity for you to rent a mooring. For our guests there is a special discount when you charter our sailing boat, a Bavaria 36. There is a washing machine for the community and you can rent bicycles and canoes.

The apartments which have central heating, internet and a television are individually decorated, some in a rustic style, some with light colours and some are specially adapted for wheelchairs. The high standard kitchens are complete with microwave, saucepans, cutlery, crockery, toaster and coffee maker. The beds, mattresses and blankets are of good quality. Sheets are provided and towels can be rent. Should you require further information, please don't hesitate to contact us. We look forward to meeting you soon.
